Projects

PROJECTS	DESCRIPTION
WEBSITE DEVELOPMENT PROJECT - SATU-HATI RESORT WEBSITE	Collaborated on the development of a comprehensive website as a final academic project. It was designed and implemented with a functional booking system to streamline reservations. It includes features such as an overview of the resort's amenities and services and developed intuitive interfaces for users to contact the resort and access location information.

Achievements

Built and Launched a Fully Responsive and Cross-Browser-Compatible website for Satu Hati Resort
